

# Changing the World, One Child at a Time

AC-01/05

## Welcome

Thank you for your interest in World Changers Christian Academy (WCCA), where we are “changing the world, one child at a time”! At WCCA, we provide spiritual and educational programs that meet the holistic needs of our students. We give our students a solid spiritual and educational foundation that promotes lifelong learning. We believe that every child is a gift from God and possesses his or her God-given potential to succeed. Therefore, we seek to nurture and direct that potential so each child enrolled at WCCA will reach the level of success that he or she has been divinely destined to achieve. We appreciate your interest in WCCA and welcome the opportunity to serve you.

## Our Mission

Our mission is to offer a holistic educational experience that supports, encourages and enables students to grow spiritually, intellectually, emotionally, physically and socially in accordance with our vision. The school is founded on Proverbs 22:6 (NKJV): “Train up a child in the way he should go, and when he is old, he will not depart from it.”

## Notice of Non-Discrimination

WCCA does not discriminate on the basis of race, color, creed, gender, national and ethnic origin in the administration of its employment policies, educational policies, admissions policies, scholarship programs or any other school-administered programs.

WCCA’s biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasion, the atmosphere and/or conduct within a particular home may be contrary to the biblical principles incorporated in the curriculum. This includes, but is not limited to, sexual immorality, alternative lifestyles or an inability to support the moral principles of the school. In such cases, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a student.
