LETTER FROM THE PRINCIPAL

Dear WCCA Parents:

It is an honor and a pleasure to serve you as your principal. We, the staff of WCCA, have been richly blessed by our heavenly Father to serve with Dr. Creflo A. and Pastor Taffi L. Dollar for the purpose of enriching the lives of the children of WCCA. We have an awesome mission, one that with much prayer, faith, love and perseverance, we shall attain. WCCA will become distinctive in the world of private/Christian institutions and will quickly rise as a beacon of excellence.

I ask that you pray daily for our Board, our staff, our students and families, and all those who support our mission. Let us maintain a heart of faith and a spirit of unity as we go forth into this school year, "Changing the World, One Child at a Time."

In His Service and Love,

Doretha H. White

PHILOSOPHY

It is the policy of World Changers Christian Academy (WCCA) Board of Directors not to discriminate on the basis of age, sex, race, color or national origin in activities and employment practices.

The Academy reserves the right to deny enrollment to any student whose personal or family practices or beliefs conflict with the Academy's Christian philosophy or the spiritual mission/vision of WCCA.

PURPOSE

We are dedicated to ensuring that every child who walks through our doors receives superior education taught on a foundation of godly principles. We provide our students with a loving and nurturing atmosphere where they can grow and develop in their knowledge and understanding of the world around them to discover God's will and purpose for their lives.

VISION

As we proclaim Jesus, the Christ, as Head of the Church and the manifested Word of God, our goal is to teach the Word of God with simplicity and understanding so that it may be applied to our everyday lives in a practical and effective manner; thereby being transformed into World Changers, changing our immediate world and all those with whom we come into contact, ultimately making a mark that cannot be erased.

MISSION

Our mission is to offer a holistic educational experience that supports, encourages and enables students to grow spiritually, intellectually, emotionally, physically and socially in accordance with our vision.

The school is founded on Proverbs 22:6 (NKJV): *“Train up a child in the way he should go, and when he is old, he will not depart from it.”*
